

The Manor Venue: For this season, we are delighted to add a magnificent listed manor house to our select roster of beautiful venues. We have 150 acres of stunning East Sussex countryside to enjoy with glamping on the grounds, and the house itself can also be utilised for that extra wow factor. There are 6 gorgeous period bedrooms and 5 bathrooms in the house.

Structures: For presentations and meetings, choose from a selection of marquees from functional marquees to bespoke funky 'presentation villages'. A good layout is a darkened stage area for presentation equipment at one end and at the other, tables are layed out with teas, coffees, water and snacks.

We can provide bespoke arrangements of structures with traditional marquees or an eclectic selection of exciting and unusual marquees including smaller breakout spaces. With all structures, a good arrangement is to have some seating and furniture inside, and some outside, this offers guests the choice to sit in the sun or under shade while eating or relaxing, or for breakouts.

Accommodation: All our campsites offer a fun selection and comfy different luxury glamping options to give a 'glamping village' feel. Bedding can be anything required according to budget; the images below are based on Egyptian cotton fabrics and towels with cosy duvets for each guest. Accommodation option examples could be (but not limited to); lovely traditional Bell Tents, Yurts, Tipis and the very cool new Unidomes.

Most clients select shared glamping with typically up to 5 or 6 guests sharing each bell tent, we can also offer single or twin occupancy glamping tents. If budget allows, a great addition to any corporate glamping events is a 'Girls' and 'Boys' Pamper tent! These large Bell Tents have electricity, mirrors, lighting, hair dryers and points for electric razors and places to charge mobiles.

Catering and entertainment: We can provide a variety of local, wholesome food including vegan and vegetarian options. A great catering idea is exciting street food, stalls or vans and hog roasts, catering can of course be formal if required. We also have a roster of talented performers from storytellers to mesmerising fire shows and musical performances.
